280 = You are already with the Lord Everything else = Draw nearer to Him

Highlight the questions where you scored yourself a 2 or lower. These are the areas you can begin to work on with God's help. A mature faith is a matter of process. We call that process sanctification. It is the work of the Holy Spirit, and it is daily growth development. Ask God what to do about the responses you marked lower than others. **Draw near to Him, and He will draw near to you.**
