1 - Genesis: The Beginning of Everything

- Genesis 1:1 "In the beginning God created the heavens and the earth." If you understand and accept this statement, you will have no trouble with anything else found in the Bible. Only 2 World Views: 1) Everything is a result of a cosmic accident; or 2) We are the result of a deliberate design by a Designer.
- First quote by God: "let there be light." The speed of light has been slowing down.... If the figures are extrapolated backwards, we could speculate that light was: 10-30% faster in the time of Christ; 2X in the days of Solomon; 4X in the days of Abraham; 10 million times as fast prior to 3,000 BC. Just something to think about!! It is good for us to remember how much we do NOT know.

The Scarlet Thread: from the seed of the woman (Gen 3), narrowed to a nation (call of Abraham), narrowed further a tribe (Judah, Gen 49), to a

specific family and dynasty (David, 2 Sam 7), finally to the virgin birth in Bethlehem (Isa 7, Micah 5)....From the Tree of Life, to another tree in another garden..... with another Lamb that was accepted and provided for

sacrifice...The incredible plan continues...
